Tuesday 18 January 2011 From 6.30pm to 7.30pm

Present: M Bell, J Blackburn, J Blakey, S Colquhoun, S Featherstone, J Geyer, K Griffiths, K Haigh, G Kitson, R Millerchip, D Paget, M Syer, S Thompson, R Walsh, S Walworth
In Attendance: B Cockburn, M Ridley

1. Apologies: J Anson, B Bates, R Cowen, J Kane, A Richardson, Maggie Robinson, M Williams

2. Police: PC Cockburn reported the following crime statistics for the last 5 weeks: Cassop 1 theft in Old Cassop; Parkhill 1 assault (female arrested and interviewed), 2 vehicle damage: Bowburn 2 assault (2 arrests with one remanded in custody and one interviewed), 2 burglary, 2 criminal damage, and worryingly 10 theft with 9 incidents taking place at the MW Service Station – a crime prevention officer is advising on possible weaknesses in security. Anti-social behaviour has lessened with the continued patrols by the Community Support Officers.

Members were encouraged to warn the elderly against allowing bogus officials into their homes.

PC Cockburn was thanked for his attendance and left at 6.40pm.

3. Masterplan Updates – Economic Regeneration Team Leader and Project Leaders:

(i) Highways: The next meeting is in February.

(ii) Parkhill: No update.

(iii) Community Centre: Phase 1 works are complete, plus the resurfacing the front and rear car parks.

There are plans to white line the front car park and leave the back car park unmarked.

Currently quotations are being obtained for the following areas that have been prioritised - Servery, Toilets, Additional heating to Lounge, Resurface the meeting room table and reception desk.

(iv) Youth Centre: There are plans to improve the outside recreational space, but funding is a problem because funders require the space to be available to the public for a major part of the year. The Summer programme of activities is under threat - again because of lack of funds, but the regular sessions are safe until the end of the year. The young people enjoyed organising the Children in Need event, which was a great success.

(v) Unadopted Roads, Environment and URR1: Next meeting of Three Streets is Thursday 20 January. There is nothing to report on the Environment projects.

(vi) Park Project: A meeting with the steering group is to be arranged.

The snagging list and the final bill are still to be completed.

It is hoped to have signs in the football area to discourage dog owners from allowing their dogs to foul the pitch.

(vii) (a) Regeneration Fund: No update.

(b) Regeneration Working Group: No update.

(c) Walkabout and Housing issues: Prince Charles and George St. were closed to lay a new electric cable. Boilers are being upgraded in Prince Charles and George Street.

A replacement 'dog bin' is needed behind the library and the litter bin there needs to be emptied regularly as it is filled to capacity.

It was agreed to contact the Esh Group about cleaning mud off the A177 and finishing the lay-by. (Action Janet)

It was agreed to ask the Durham Green developers and County Durham planners to the next Partnership meeting to discuss the proposed changes in the plans for Durham Green. (Action Janet)

It was asked if the last 5 houses in Horton Cresc. were to be connected to the mains sewerage. (Action Cllr Blakey)

Cllr Blakey left the meeting at 7.15pm

(viii) East Durham Rural Corridor (AAP) Board Meeting 5 January 2011

Various Local Neighbourhood Issues were raised and can be viewed on the Durham county AAP website (hard copy available on request).

With sincere regret G Wills (Board Member – public Rep) resigned from the East Durham Rural Corridor AAP. A procedure would be followed to fill the vacancy.

Board members decided to concentrate on the top 3 key priority themes from the AAP Forum as follows:

1. Support for Voluntary Community Sector/ Community Spirit & Aspirations – 42 votes

2. Activities for Children and Young People - 40 votes

3. Employment and Job Prospects - 27 votes

Steven Hart (health colleague) was present at the meeting to raise awareness on the work of Get Active and how they can work in partnership with the AAP on the Cycle/Walkway Project Scheme.

John Davis (Statutory Partner – Fire) gave a brief overview on the Integrated Risk Management Plan Consultation Document 2011-2015; the consultation ends 17 February.

£30,000 of Area Budget has been allocated to a Small Grants Pot. Currently there were more applications than money. Applications were in the process of being appraised.

Meetings in 2011 will be on the first Wednesday of every other month: The next meeting is 2 March in Bowburn Community Centre.

Cycle/Walkway update: Co Durham and Darlington Community Health Service will be providing free activities through the Summer for young people and their families provided through a Get Active Cycling Club. Launching on 2 April to October two weekend bike rides targeting young people and their families on Saturday mornings, 10am – 12 noon, one from Sedgfield and one from Coxhoe lasting approximately 2 hours. The rides are suitable for all ages and abilities and are led by qualified cycle instructors. Bikes and helmets are available for participants on free loan. All routes are mainly off-road using a variety of networks. For info contact Get Active on 0191 569847 or steven.hart@nhs.net

Also £2500 given to Coxhoe Leisure Centre to provide free bike rides for young people was not taken up, but will now provide free bike rides for new parents/grandparents and their children; and Reception Year and Year 6 children as figures show this AAP area has a higher rate of obesity than the rest of the County.

At this meeting it was suggested that the Youth Club could apply to the AAP for funding.

(ix) Future Plans of Bowburn & Parkhill Community Partnership (B&PCP)

> 4a Identify Open Spaces: A County Council version of an 'open spaces' plan for Bowburn was looked at but it was agreed that either an updated plan is needed or an annotated version of this existing plan for accuracy. (Cllr Blakey)

The Partnership will be aware of planning applications occurring in open spaces;

Protect green spaces by providing a 'green development' which is complementary to the area;

Check the 'Open Space Society' for advice on safeguarding.

(Action Janet)

> 7b Lighting: Broadmeadows to Hallgarth estate: The local representatives are to allocate part of their Neighbourhood Budget to continue the lighting along the C12a. (Cllrs Blakey and Williams)

Newburn Avenue lamp heads have been upgraded.

Parkhill Lighting columns have been installed and the Electricity Board is to connect them in the near future.

Works to upgrade the footpath in Parkhill are ordered; it is hoped that the increased VAT rate will not be charged.

Plans to light the Mabey footpath will be investigated.

It was noted at this meeting that the yard is vacant and possibly ready for development.

> C13 Small grants: The first round of the AAP small grants fund is closed, but there may be a second round.

> D14 Housing: Integrate new residents: AAP funding has been applied for to publish a welcome pack. The 'Training Budget' can be used for IT training.

It was agreed to advertise a possible evening class in IT training to see who would be interested. (Action Janet)
Check planning applications: Erection of 3 storage tanks at the MW Service Station and a Single storey extension in Robert Terrace has no impact on the residents of the village and requires no action. Also refer to Item 3(vii) above.
Check allocation of housing for our area through the Strategic Housing Land Availability Assessment (SHLAA) with reference to the Cape, Mabey and Durham Green sites.

It was said that there was a need for the planners and developers to prepare more facilities such as shops, schools, and doctors when they are developing large built up areas such as those in Bowburn.

Members were informed that there is a County consultation on their settlement, which they can take part in.

4. Minutes of last General Meeting: 21 December 2010

The minutes of the December meeting were approved as a true record and agreed by members.

Quiz: Prize winners for the 'Merry Christmas'; First L Rumney, Second P Turpin, Third J Hutchinson.

The next quiz will be out on 15 February.

9. Reports and matters arising:

(i). Parish Council: The vice chair of the Parish Council kindly sent in this report – *Garage tenants reported several break-ins on the site near the medical centre and frequently find evidence of drinking and possible drug taking on the site. The police were asked to increase routine patrols of the site but it was felt that gates would be the only answer. The Clerk is to obtain quotes to fence the whole site and provide gates.*

The County Council will probably request that the precept be received by 26 January and a meeting of the Finance Committee was called for 12 January to set the budget.

An order has been made under the Road Traffic Act to temporarily close part of Footpath No1 to enable upgrade works to the sewage treatment plant. This could be for 18 months – the projected length of the works.

Members discussed problems with flooding seen on parts of the footpath by Bowburn Beck. This may be linked to recent works in the Park – Cllr Blakey was asked to seek advice on behalf of the Parish.
