

GENERAL MEETING - Bowburn & Parkhill Community Partnership - Charity Number 1112151
Tuesday 18 February 2014 from 6.30pm

Present: M Bell, J Blackburn, Cllr Blakey, R Cowen, K Griffiths, G Kitson, D Paget, F Salisbury, S Walworth

In Attendance: M Ridley

1. Apologies for absence: PC Cockburn, D Chambers, K Haigh, Cllr Plews, M Syer, Cllr Williams

2i. Police: PC Cockburn contacted the secretary with the following crime statistics for 15/01/2014 – 16/02/2014
PARKHILL – A common assault with 1 person arrested: CASSOP – 1 Theft of plant machinery.
BOWBURN – 1 Robbery in Bede Terr; Arson in Durham Rd West 1 person arrested; Shed burglary in Marlene Ave:
5 Theft - 3 diesel theft, bottle of wine from Co-op, sat-nav and case from vehicle at Bowburn Hall Hotel; 2 Damage

PC Cockburn reported that the police have been to the children's home in Durham Road West a few times recently but it is not always to deal with incidents. There are times when the police pop in just to build up a rapport with staff and residents. As they get some children in there who are rather challenging - on occasions the staff need our help. He has no concerns as to the staffing and incidents in this home.

Cllr Blakey is gathering information about any planning permission if it were needed.

(Cllr Blakey)

i) 10 Year Celebration:

It was agreed to start the 10 Year Celebration at 5.30pm on 18 March; to be followed by the General meeting.

ii) Highways: Members had sight of the plans to extend the existing No Waiting/Loading Mon-Fri 8am-6pm restriction on Crow Trees Lane from Wylam St. to Clarence Street. There was a query about the limited parking at Lamb's Place and a suggestion to leave a parking area at the Junior School when the garages are demolished. Members were also concerned about the continuing problem of parking outside the Infants School on Crowtrees Lane. Members requested that the Chair make representations on behalf of the Partnership to the Council. **(RC)** Anyone wishing to raise an objection to the proposals should submit this in writing to Loraine Holding, Legal Assistant at County Hall, Durham or by email to highways.orders@durham.gov.uk by 20.2.14.

iii) Parkhill: The Parkhill Residents Association considered their future at the March meeting.

iv) Community Centre: There are quotes for the stair lift and quotes for the electrics are being found. **(MR)** Thanks were given for the new catering equipment which is for all those working in the Centre's kitchen; users have commented that it is good to have the proper equipment.

The Luncheon Club will be held every fortnight on Monday's; the next one is 3 March at 12.15pm

Thanks were given to J Blackburn and S Pinkney who helped at the Luncheon Club when a volunteer was ill.

25 April Brenda Collins will give an adult performance on behalf of the Banner Group and the Community Centre.

The Centre was thanked for putting the Partnership Logo 'mat' in a prominent place in the foyer.

v) Youth Centre: No report this month.

vi) Environment: Art work – Mr Paul Armstrong had a meeting with Planners, Highways and Landscaping from the Council to conclude what is to be done to the 'Cape' site. Once these decisions are complete plans can be discussed for the artwork. The secretary will continue to liaise with Mr Paul Armstrong every two months. **(Janet)**

vii) Planning: Grange Park Estate aka The Daisy Field:

In July 2013 planning permission was refused for the Grange Park Estate, but an appeal was submitted in January 2014. The Planning Inspectorate (PINS) will make a decision.

The Partnership does not have to do anything and PINS do not want a repeat what we have already said.

If there is anything further to say the Partnership must do so before 28 February.

Further representations were discussed as follows:

The site is still not shown in the Pre Submission draft nor Masterplan so there is no evidence of it being Plan led.>It was not shown on the SHLAA when the application was made but is now shown green (ie suitable) when the SHLAA was redrawn in Oct 2013.

- It was agreed that - If it is now argued that it is suitable, there has been no public consultation about this which does not appear consistent with the Aarhus Convention
- We believe our comments regarding education issues remain valid and we have made representations in respect of the Pre submission draft that there is no Policy for education purposes.
- We believe that if the estate is built and then schools do need rebuilding, construction traffic through the estate will lead to complaints
- Although we did not comment on separation distances, we believe that it does cover new housing from existing housing and the developer's argument to the contrary appears unattractive.
- We stand by our comments regarding the junction with the C12A
- We remain concerned about the sport/recreation issue
- We did not comment on flooding in our original letter. If we are to add it now, we will need to be satisfied that if this estate is built, it has the potential to lead to flooding elsewhere.

At this meeting it was said that the pumping station has an increased capacity, but the sewage from the potential Grange Park Estate would flow into the existing sewage system.

However the existing system is already prone to overflowing and not able to take any further capacity.

It was requested that the Chair write to PINS to address these points

(RC)

viii) Housing: None to comment on.

6C. County Durham Plan: An issue has been identified which needs to be clarified.

In the Preferred Options Bowburn was allocated 320 houses. As they had been accounted for, the Pre Submission Draft should have read zero, however it actually reads 470 with no site allocations.

The secretary is in contact with Gavin Scott for clarification.

(Janet)

Neighbourhood Plan: The designated body is the Parish Council, which has applied to County to have this status.

At this meeting there was concern that even if there is a Neighbourhood Plan, the County has the final say. However it was felt that some input was better than none.

7. Correspondence:

Disability North, along with Age UK Newcastle, is holding a sponsored Haunted Camp Out in the Castle Keep in Newcastle on 29th March between 10pm – 7am. Registration - £34.99 and the fundraising goal is £100.

Disability and Industrial Society is a project, funded by the Wellcome Trust. Focusing on the coal industry, the project investigates how understandings and experiences of disability were affected by industrial development from the 1780s until the end of the Second World War. To investigate this, the North East team have organised two free focus groups taking place at Disability North, on the 18 and 19 March between 11am-3pm (lunch is provided).

Active life AGM: is on Tuesday, 11 March at 7:00pm at the Active Life Centre @Coxhoe.

Outdoor alcohol adverts – targeting children:

From: Lesley Thompson [lesley.thompson@balancenortheast.co.uk] On behalf of Colin Shevills

The trade body for outdoor advertising promised not to place alcohol advertisements within 100m of schools. Yet it happens. Balance NE will be asking the Outdoor Media Centre why this is happening, but we'd like more examples. Next time you are passing a bus stop close to school premises, check to see if there is any alcohol advertising. Then take a photo and share it with us.

LEADER funding The Launch of the LEADER consultation events take place on Thursday 3 April in the Glebe Centre, Murton. 9.30 sign in for a 10.00 am start till 12.30. For further information. 01207 529621
