General Meeting 18 November – The minutes were approved as a true record and agreed by members.

Matters Arising: [6] The revised design for the Cooperage is more sympathetic to the conservation area and the new plan shows cycle parking; local members to discuss Parkhill/Coxhoe (put on agenda in February); Oakfield Crescent construction traffic has been referred to the Parish for consideration by the developers; The Esh artwork will be discussed at a meeting with Mr Geoff Woodcock on Wednesday 21 January.

Planning: Parkhill –RC has checked the council website and there is no information re an appeal. Should there be one the Partnership will need to consider how we deal with that. In particular, we will need to decide if we want to be "Rule 6" parties so that we can give evidence and cross examine the other side.

5. Finances:

Expenditure: £20, £10 & £5 quiz prizes; £6 room hire (for highways group meeting). Michael Cowling of The Signs Man has repaired the three noticeboards at a cost of £495. The cost of the rubber seals at £64.80 took the total to £559.80, exceeding the £500 allocated for the repairs. It was agreed that this was a reasonable excess to pay for a good quality repair. £20 small groups' lottery licence. It was agreed to check the public liability licence cover.

Income: Unrestricted funds £78 (Quiz), £10.40 (Tea/Raffle)

Fun Day: Agreed that the Partnership apply to the County Durham Community Foundation to fund next year's Fun Day on behalf of the Bowburn Community Association and the Youth Club as the Partnership already holds the funds for the Fun Day with the following two conditions:

- a) That the Community Association and the Youth Club do not hire attractions until the funds have been obtained to cover their costs and
- b) That the Community Association and the Youth Club underwrite any loss. That is, if the Fun Day costs more than the income obtained, then they will reimburse the difference to the Community Partnership.

9. Reports and matters arising:

9(i) AAP: East Durham Rural Corridor Area Action Partnership Forum 6 December 2014

DCC recommended that - **Children and young people should have a voice in the Area Action Partnerships to comment on and influence the priorities agreed by the AAP Forums.** This led to the EDRC to establish a Youth Forum of 45 children to be involved in issues via the AAP Board meetings, Task/Finish groups, and Cllr surgeries. The Youth Forum requested £40,000 for the It's Up 2 U Voices Project 2014 PB Scheme. In total 15 applications were submitted; anyone aged between 8–17 years living or studying in the area could vote in schools. 12 schools took part (9 Primary, and 3 Comprehensive), one primary school chose not to take part; however the children had the opportunity to vote at the Forum Event/ Fun Day. The AAP were particularly proud of the 'It's Up 2 U' Scheme in 2014 which resulted in the engagement with 1288 children and young people.

In total 10 new Forum members were signed up, 9 children and young people to the Youth Forum during the school roadshows and 1 on the day of the event. This has increased the total number of Forum members to 932, and we successfully engaged with 3 new groups, who are now aware of and being supported by the AAP.

396 people voted on the priorities for 2015/ 2016, and the results were as follows:

- 1) Retain priorities from 2014/15 Activities for Children/Young People, Health/Wellbeing, Older People, with Crime/Community Safety 450
- 2) Crime & Community Safety 119
- 3) Support to VCS 18
- 4) Employment & Training 117
- 5) Activities for Children & Young People 108

- 6) Older People 95
8) Transport & Traffic 60

- 7) Environmental 65
9) Health & Wellbeing 56

The Council Budget Consultation: At the Forum participants had the opportunity to assist the County Council with the task and requirement of making further savings of £100m (a quarter of the authority's budget) by 2017. 181 surveys were completed on the day, and 86 people took part in group exercises, via 18 sessions.

A decision on how AAP money should be allocated and ideas for the Forum for this year was deferred. Date and time of next meeting – Wednesday 4 March 5.00 pm – 7.00 pm at Quarrington Hill Community Centre.

9(ii) Parish Council: A planning application for a supermarket on the Cooperage site - the latest plan was acceptable on design grounds, but the Parish expressed concerns about traffic implications e.g. delivery vehicles entering and leaving the car park. County is to introduce an initiative to combat fly-tipping, which includes Parish Councils singly or jointly purchasing CCTV equipment to put in suitable locations. The clerk is to ask County for further information. eg. Who will prosecute offenders? Local walking groups are to be asked to keep an eye on local footpaths when they are walking them, to see if strimming is required (in addition to that provided by the County Council). The Parish may seek a grant from Parish Paths Partnership to undertake such work if deemed necessary.
Next meetings 19 February and 19 March (Bowburn); the Parish litter pick is Saturday 7 February from Bowburn Community Centre at 9.30am, weather permitting. All are welcome.
